# MODERN TRENDS IN SENIOR CARE – 21<sup>ST</sup> CENTURY CHALLENGES

## International Conference Invitation

### Modern trends in senior care – 21<sup>st</sup> century challenges

The conference is organized by the Faculty of Health and Social Sciences of the University of South Bohemia in České Budějovice and addresses the current issues of senior care, both in the Czech Republic and abroad.

### Date of the event:

**13<sup>th</sup>–14<sup>th</sup> October 2020**

### The event venue:

Clarion Congress Hotel České Budějovice, Pražská třída 2306/14, České Budějovice

### Focus of the conference:

Population ageing is a key issue affecting all aspects of life of people in the Czech Republic and it is a major topic being solved individually, regionally as well as on a national and international level.

The key topics of the conference are **new trends and good practice examples in senior care** in residential facilities with regard to multidisciplinary team involvement, not only in the Czech Republic, but also in selected European countries.

The aim of the conference is to inspire and broaden the development of new trends and innovative practices in senior care and thereby to contribute to the improvement of the provided service quality and to improve the quality of life of the seniors themselves.

More detailed information about the conference (particularly about the registration, fees and schedule) can be found on its website:
